Hi Emma –

I read your description of the population methodology, but still have a couple questions. It sounds like the method was good, but there might be a few more bits of information to add to the description. I think this is easiest to do over the phone. Please feel free to call me at your convenience, but note that I will be on vacation beginning this Friday, March 18<sup>th</sup> and returning Tuesday March 29<sup>th</sup>.

Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property.
